

Sparking a Difference, Lighting the Way

At Loeb, we believe it's everyone's responsibility to help others, and we work hard to make sure our communities grow alongside us.

Our Social Engagement Committee regularly organizes events and fundraisers to bring our employees together and raise money for a variety of local charities. These dollars are used to support communities throughout central Ohio.

In addition, our Volunteer Time Off (VTO) policy allows associates to take up to four hours of paid time annually to volunteer for a cause that is close to their heart. They can choose from several organizations that focus on a variety of issues, including hunger, healthcare, homelessness, education, and animal welfare.

We strive to bring our corporate values—people, trust, commitment, and innovation—into our community every day. We are thrilled to have our associates contribute their skills to meaningful causes outside of the workplace. For more information, visit LoebElectric.com/LoebDifference.
